

The Carer Friendly Business Awards 2020 are now open!

Carers Queensland's Carer Friendly Business Awards (CFBA) recognise and celebrate employers, employees, and businesses that go the extra mile to make life better for carers.

Each year, we invite carers to nominate businesses who deserve recognition for exceptional service or carer friendly employment practices.

Nominations are for Queensland only, and made under the following three categories:

- **GREAT Employer**
- **GREAT Employee**
- **GREAT Business**

This is the opportunity to say "thank you" for making a positive difference to a carer's life.

When are winners announced?

State winners and the carers who nominated them will be announced at our Virtual Event on Wednesday, 14 October.
