

Invitation to complete an

# Online Survey about Your Caring Experience for a Person with Dementia

This is an opportunity to share your experience

This research is supported by Carers Victoria

## What will the study involve?

We invite you to participate in an **online survey**, which asks questions about your opinion of different caring situations for a person with dementia. You will be presented with different choice scenarios and we would like to know which caring situation you prefer.

Participation in this study is voluntary and we will keep your responses confidential. The survey will take approximately 30-45 minutes to complete and you will receive a small compensation in recognition of your time and contribution.

## Who can participate?

### Carers, who...

- \* Provide care or support on a voluntary basis to someone living with dementia
- \* Self-identify as an informal carer
- \* Aged 18 and older
- \* Are able to speak and read English
- \* Reside in Australia
